Mr. Edward Cole, Chairman
Drama Department
Yale University
New Haven, Connecticut

Dear Mr. Cole:

It gives me great pleasure to invite your department to consider establishing a chapter of Alpha Epsilon Rho, the national honorary radio-television fraternity, at your campus.

Although Alpha Epsilon Rho is an honorary fraternity, it also fills a very practical need by constantly striving to establish a closer relationship between students and educators and the professional men and women of the broadcasting field.

Mr. Don Otto, president of the Alpha Epsilon Rho chapter at Boston University, Station WBUR, 640 Commonwealth Avenue, Boston, Massachusetts, has been advised that we are extending this invitation to you. Since his chapter is in your area, you may wish to contact him personally concerning our fraternity. Or, you may wish to write Mr. Cal Watson, Executive Secretary, Alpha Epsilon Rho, Radio Station KWSC, Washington State University, Pullman, Washington, for further details. I know that either one will be very happy to help you in any way to establish your chapter of A. E. Rho.

An application form and specific requirements for membership may be obtained from the Executive Secretary. I hope we will have the privilege of welcoming your radio and television students as members of a new Alpha Epsilon Rho chapter in the very near future.

Sincerely,

DONEL W. PRICE
National Student President
